

**ARTISTS AT WORK TRAIL
SATURDAY JULY 7 – SUNDAY JULY 8
11.00am – 6.00pm each day**

This year's Festival will include a trail of artists at work. This could be in the studio, or it could be out on site. The trail will have an accompanying map and starting point exhibition at Rook Lane Chapel. Depending on the response the trail will either be solely within Frome, or up to a 5 mile radius of the town.

This is a pilot exercise to begin to raise the profile of the visual arts in the Frome Festival. It is also quite short notice! If you would like to take part please **fill in the following form and return it with:**

- **2 jpeg images**
- **Cheque for £10 (to cover cost of trail map)**

by April 20th by email and/or post to:
